**From:** John Harwood (jharwood@purdue.edu)   
**Date:** September 25, 2008  
**Subject:** Change in NMR T/A Staff - Ian Henry, Sofiya Yashchuk

The purpose of this memo is to inform everyone that Ian Henry recently finished his studies at Purdue and is moving on to a new position and Proctor and Gamble. Thus he is finished with his job as a PINMRF T/A effective today. I hope you will join me in congratulating Ian on his accomplishment and also thanking him for the years of excellent work he has done on behalf of our Facility.

Replacing Ian as an NMR T/A will be Ms. Sofiya Yashchuk from the Ghosh group. Sofiya has lots of experience with NMR equipment and applications and I am sure she also will do great work in the Facility. Please join me in welcoming Sofiya to PINMRF.

If you have any questions or comments, please feel free to contact me.
